BRAC Myanmar
Directors' report for the year ended 31 December 2024

The directors have pleasure in submitting their report and the audited financial statements of the organisation for the year ended 31 December 2024, which disclose the state of affairs of BRAC Myanmar.

a) Registration

BRAC Myanmar is a branch of Stichting BRAC International, a foundation registered under the laws of the Netherlands, with its registered office in The Hague.

BRAC Myanmar is registered as an International Non Government Organisation (INGO) under the Ministry of Union Government Office with its registration number (1/ Foreign/ 0170) and valid till 31st December 2024.

The objectives of the organisation is to utilise its global expertise of integrated development to improve the livelihood of poor and vulnerable households in Myanmar. Currently it is implementing climate resilient agriculture projects and livestock and fisheries projects with the help of development partners.

b) Vision

A world free from all forms of exploitation and discrimination where everyone has the opportunity to realise their potential.

c) Mission

The organisation's mission is to empower people and communities in situations of poverty, illiteracy, disease and social injustice. The interventions aim to achieve large scale, positive changes through economic and social programmes that enable men and women to realize their potential.

d) Our values

Innovation- the organisation has been an innovator in the creation of opportunities for the poor to lift themselves out of poverty. We value creativity in programme design and strive to display global leadership in groundbreaking development initiatives.

Integrity- the organisation values transparency and accountability in all our professional work, with clear policies and procedures, while displaying the utmost level of honesty in our financial dealings. The organisation holds these to be the most essential elements of our work ethic.

Inclusiveness- the organisation is committed to engaging, supporting and recognizing the value of all members of society, regardless of race, religion, gender, nationality, ethnicity, age, physical or mental ability, socioeconomic status and geography.

Effectiveness- the organisation values efficiency and excellence in all our work, constantly challenging ourselves to perform better, to meet and exceed programme targets, and to improve and deepen the impact of our interventions.

e) Principal activities

The organisation provides assistance to improve the livelihood of poor people in Myanmar. It addresses the special needs of various target populations such as rural women, school going children, small holder aquaculture farmers by offering experienced local solutions to realise their potential.

f) Financial performance

The organisation's performance during the year ended 31 December 2024 is as follows:

- Grant income decreased by 46% from MMK 988 million in 2023 to MMK 538 million in 2024.
- 2 different projects (SAIL Fish for livelihoods, and My fish Market (World fish)) were implemented.
- Operating expenses decreased by 46% from MMK 918 million in 2023 to MMK 499 million in 2024.
- During the year, the organisation had some surplus of income over expenditure.

g) Results from operation

The results for the organisation's operation for the year ended 31 December 2024 are set out on page 9.

h) Composition of Directors

The directors who served during the year and up to the date of this report are set out on page 1.

i) Directors' benefits

No director has received or entitled to receive any benefits during the financial year.

j) Corporate governance

The directors are committed to the principles of good corporate governance and recognize the need to conduct the business in accordance with generally accepted best practice. In so doing the directors therefore confirm that:

- The board of directors met regularly throughout the year;
- They retain full and effective control over the Organisation;
- The Board accepts and exercises responsibility for strategic and policy decisions, the approval of budgets and the monitoring of performance; and
- They bring skills and experience from their own spheres of business to complement the professional experience and skills of the management team.

The Board continued to carry out its role of formulating policies and strategies of the Organisation, reviewing the business plan, ensure that the accounting system is maintained in accordance with acceptable standards, the books of the Organisation are kept properly, and that accounts are checked by authorized auditors, as well as recruitment and development of key personnel.

k) Risk management

The board accepts the final responsibility for the risk management and internal control system of the Organisation. The management ensures that adequate internal financial and operational control systems are developed and maintained on an on-going basis in order to provide reasonable assurance regarding:

- The effectiveness and efficiency of operations;
- The safeguarding of the Organisation's assets;
- Compliance with applicable laws and regulations;
- The reliability of accounting records;
- Business sustainability under normal as well as adverse conditions; and
- Responsible behaviours towards all stakeholders.

The efficiency of any internal control system is dependent on the strict observance of prescribed measures. There is always a risk of non-compliance of such measures by staff. Whilst no system of internal control can provide absolute assurance against misstatement or losses, the Organisation's system is designed to provide the Board with reasonable assurance that the procedures in place are operating effectively.

l) Management structure

The organisation is under the supervision of the Board of Directors and the day to day management is entrusted to the Country Representative who is assisted by the heads of divisions, departments and units. The organization structure of the Organisation comprises of the following divisions:

- Programs
- Finance & Accounts;
- Administration
- Internal audit;
- Monitoring Unit;
- IT and MIS;
- Human resources;
- Communications.
- Public Relations

m) Related party transactions

Related party transactions are disclosed in *Note*

n) Future development plans**Agriculture:**

The organisation is now planning to implement Agriculture value chain and social enterprise.

o) Key achievement in 2024

The following are the organisation's key achievements for the year:

- Trained 7100 small scale farmers to use aquaculture techniques and provided quality input to those farmers
- Provided fish feed , fish seed and vegetable seed to growers
- Business Planning training was delivered to 123 farmers.
- Gender and WASH training were delivered to all the project participants
- Provided litmus paper, weight scale, measurement tape and fish nets were distributed to the project participants.
- one feed mill machine was supported by Fish feed maker farmers.

p) Solvency

The Board of directors confirms that applicable accounting standards have been followed and that the financial statements have been prepared on a going concern basis. The Board of directors has reasonable expectation that the organisation has adequate resources to continue in operational existence for the foreseeable future.

q) Gender parity

In 2024, the organisation had a total full time staff of 16(2023: 20). The female staff are 12 and male 04.

r) Employees' welfare

Management/employee relationship

There were continued good relation between employees and management for the year 2024. There were no unresolved complaints received by management from the employees during the year.

The organisation is an equal opportunity employer. It gives equal access to employment opportunities and ensures that the best available person is appointed to any given position free from discrimination of any kind and without regard to factors like gender, marital status, tribes, religion and disability which does not impair ability to discharge duties.

Training

Training and development of staff capacity is one of the key priorities of the organisation. This year all the Branch Accountants received hands-on training on their day to day responsibilities and two overseas training was held in Philippines and Bangladesh where BRAC Myanmar staff was joined . All the program staffs from received training as prescheduled. The organisation will continue to train, re-train and develop its staff in order to improve service delivery and innovation.

Medical assistance

The organisation reimburses medical expenses incurred by employees for medical treatment.

Social security contribution

All eligible employees are required to contribute National Social Security Scheme managed by Social Security Board at the rate 5% of salary maximum of MMK 15,000. As a employer BRAC pays 3% of this social security contribution on behalf of the employees.

As a result of contribution to this security fund, employees get sickness benefits, maternity benefits and grant, paternity benefits and grant, medical benefits, funeral grant, and many more.

s) Auditors

The auditors, ICOP Sein Win and Associates were appointed during the year.

t) Approval of the financial statements

The financial statements were approved by the directors at a meeting held on **22 June** 2025.

By order of the Board

**Independent Auditor's Report
To the Members of BRAC Myanmar**

Opinion

We have audited the financial statements of BRAC Myanmar ("BRAC" or also referred as "the Organisation"), which comprise the statement of financial position as at December 31, 2024, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of BRAC Myanmar as at December 31, 2024, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Myanmar, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management of the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standard (IFRSs) and for such control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organisation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organisation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Organisation to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Organisation audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
