BRAC ACROSS THE WORLD

Vision:

We want to become the most trusted recruitment organization by providing employment opportunities for people through safe ethical skilled and low cost migration process. We believe people are our best assets and we take pride in helping them grow to their full potential.

Mission:

Our commitment to our stakeholders is to deliver:

Expert business advice & holistic ethical recruitment solutions to our clients.

Brighter and better future for migrants.

Security, stability & an environment for continuous growth for migrants.

Economic value for our stakeholders.

What We Do

Skills 360 Approach:

By establishing ethical migration practices we have set our aim to disrupt the unethical markets, reduce cost of migration for the workers, reduce fraud and hassles for both workers and recruiters, and ensure up skilled migration. BPL provides integrated support in all the steps from sourcing to recruiting for both the job seekers and overseas employers.

Approach of BPL

Benefits

Workers

- Fair employment opportunity
- Scope to work in internationally accepted working environment
- Full access to employment related information
- Direct connection with the employer
- Right to select preferred job and destination countries
- No middle men involved
- Training on soft & hard skills
- Remittance enable migrant worker's family member to have better livelihood
- Assurance to migrant's rights

Employer

- Opportunity to hire the right person for the right job
- Easy and comprehensive worker selection process
- Global recognition as ethical employers
- Minimized risk of miss-communication
- Reduced service charges and no unnecessary administrative costs
- Assurance to employer's rights

BRAC Institute of Skills Development

BRAC Institute of Skills Development (BISD) ensures inclusive and sustainable market development by enhancing employment opportunities through apprenticeships, institution based training and enterprise development.
