---

**AUDITED FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED  
DECEMBER 31, 2025**

**INDEPENDENT AUDITOR'S REPORT**

To the Board Members, BRAC Afghanistan

**Opinion**

We have audited the financial statements of “**BRAC Afghanistan**” (the Organization), which comprise the statement of financial position as at **December 31, 2025**, and the statement of comprehensive income, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2025, and its financial performance and its cash flows for the year then ended in accordance with accounting policies mentioned in note 2 and 3 to the financial statements.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Statements** section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting policies described in note 2 and 3 to the financial statements, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Management is responsible for overseeing the Organization's financial reporting process.

**Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**2.5 Property, Plant and Equipment**

BRAC Afghanistan reviews the useful lives and residual value of property, plant and equipment on a regular basis. Any changes in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation charge and the impairment.

**2.6 Provisions**

BRAC Afghanistan reviews the carrying amount of liabilities on a regular basis and appropriate amount of provision is made as and when necessary.

**3. SIGNIFICANT ACCOUNTING POLICIES:**

The accounting policy set out below have been applied consistently to all period presented in this financial statements.

**3.1 Basis of Preparation of Financial Statements**

BRAC Afghanistan maintains its books of account and records on a programme or project-wise basis. The Country Office maintains records of all treasury and management functions. All cash balances, including those held for programs, are held by the Country Office and transferred to programs as required. Balances between projects are eliminated upon combination for the purposes of presentation of the financial statements.

BRAC Afghanistan's accounting records and financial statements are maintained and presented in accordance with the principles of fund accounting. This is the procedure by which resources are classified for accounting and internal reporting into funds established according to their nature and purposes based on the existence or absence of donor-imposed restrictions.

**3.2 Donor Grants**

Income from donor grants is recognized when conditions on which they depend have been met. Substantially, BRAC Afghanistan's donor grants are for the funding of projects and programs, and for these grants, income is recognized to equate to expenditure incurred on projects and programs. For donor grants which involve funding for Property, Plant & Equipment (PPE), grant income is recognized as the amount equivalent to depreciation expenses charged on the PPE concerned. For donor grants provided to purchase motorcycles for specific projects, income is recognized over the estimated useful lives of the motorcycles.

All donor grants received are initially recorded at fair value as liabilities in the Grants Received in Advance Account. For grants utilized to purchase PPE, the donor grants are transferred to deferred income accounts whilst for grants utilized to reimburse programme-related expenditure, the amounts are recognized as income. Donor grants received in-kind, through the provision of gifts and/or services, are recorded at fair value (excluding situations when BRAC Afghanistan may receive emergency supplies for onward distribution in the event of a disaster which are not recorded as grants). Income recognition of such grants follows that of cash-based donor grants and would thus depend on whether the grants are to be utilized for the purchase of PPE or expended as programme-related expenditure.

Grant income is classified as temporarily restricted or unrestricted depending upon the existence of donor-imposed restrictions. For completed or phased out projects and programs, any unutilized amounts are dealt with in accordance with consequent donor and management agreements.
